

Job Posting: Dental Assistant - Embracing Technology and Thriving in a Lively Work Environment

Are you a motivated dental assistant looking for an exciting opportunity to showcase your skills and work with the latest technology in dentistry? Look no further! Beacon Dentistry is a cutting-edge dental practice seeking a talented and passionate dental assistant to join our highly skilled team. If you are a team player, self-starter, and someone who embraces technology, this could be the perfect fit for you.

Position: Dental Assistant

Job Description: As a dental assistant at our practice, you will play a crucial role in supporting our team of dental professionals in providing exceptional patient care. Your responsibilities will encompass all facets of dentistry, including general dental procedures, cosmetic treatments, and specialized services. You will have the opportunity to work with state-of-the-art equipment, including 3D printing technology, allowing us to offer innovative solutions to our patients.

Key Responsibilities:

Assist dentists and hygienists during dental procedures, ensuring a smooth and efficient workflow. Utilize 3D printing technology to create a new generation of restorations. Prepare and maintain the treatment rooms, ensuring they are well-stocked and equipped with the latest tools and technology. Take dental X-rays, intraoral images, and intraoral scans. Sterilize and disinfect instruments and equipment to maintain a safe and hygienic environment. Educate patients on oral health care practices and post-treatment instructions. Collaborate with the dental team to deliver excellent patient experiences and foster a supportive and fun work environment.

Key Requirements

Dental Assistant certification or relevant education and experience. Proficiency in using dental software and embracing technology advancements. Strong organizational skills with the ability to multitask effectively. Excellent communication skills and a team-oriented attitude. Enthusiasm for learning and staying up-to-date with the latest trends in dentistry. Experience with 3D printing technology is a plus, but not required.

Benefits

Competitive salary and opportunities for growth within the practice. Access to the latest dental technology and continuous training to enhance your skills. Joining a highly skilled and supportive team in a lively and fun work environment. Contributing to a practice that values innovation and embraces the latest technology. Vacation, retirement, CE.

How to Apply: If you are passionate about dentistry, embracing technology, and being a part of a fun and supportive team, we would love to hear from you! Please submit your updated

resume and a cover letter detailing your relevant experience and why you believe you would be a great fit for this position. Send this to: tom@tomthedentist.com

Thank you for your interest in joining our team! We look forward to reviewing your application and meeting you soon!
